Re: Thompson and DeStefano 2018 Emails (IR#0067)

Dear Mr. Andoh:

This firm represents Informed Consent Action Network (“ICAN”). On behalf of ICAN, we are requesting records pursuant to the Freedom of Information Act (5 U.S.C. § 552, as amended) from the files of the Centers for Disease Control and Prevention (“CDC”).

By this letter, please provide the following records in CDC’s possession to the above referenced address in electronic form on a CD or DVD:

Please provide each and every email communication between January 1, 2018 and the present which includes William Thompson or his email address on the “To”, “From”, “Cc” or “Bcc” line and also includes Frank DeStefano or his email address on the “To”, “From”, “Cc” or “Bcc” line and which in any manner involves, regards, concerns, or relates to vaccines, vaccine products, vaccination, publications related to vaccination, infectious disease, vaccine efficacy concerns and/or vaccine safety concerns. (For example, an email from William Thompson to Frank DeStefano and John Doe dated January 8, 2018 related in any manner to vaccination would be responsive to this request.)

We ask that you waive any and all fees or charges pursuant to 5 U.S.C. § 552 (a)(4)(A)(iii). ICAN is a not-for-profit 501(c)(3) organization whose mission is to raise public awareness about vaccine safety and to provide the public with information to give informed consent. As part of their mission, ICAN actively investigates and disseminates information regarding vaccine safety issues, including through their website, and through press events and releases. They are seeking the information in this FOIA request to allow them to contribute to the public understanding of the

government's vaccine safety programs, including the government's efforts to promote vaccine safety. The information we are requesting will not contribute to any commercial activities.

Please note that the FOIA provides that if only portions of a requested file are exempted from release, the remainder must still be released. We therefore request that we be provided with all non-exempt portions which are reasonably segregable. We further request that you describe any deleted or withheld material in detail and specify the statutory basis for the denial as well as your reasons for believing that the alleged statutory justification applies. Please also separately state your reasons for not invoking your discretionary powers to release the requested documents in the public interest. Such statements may help to avoid unnecessary appeal and litigation. ICAN of course reserves all rights to appeal the withholding or deletion of any information.

Access to the requested records should be granted within twenty (20) business days from the date of your receipt of this letter. Failure to respond in a timely manner shall be viewed as a denial of this request and ICAN may immediately file an administrative appeal.

If you would like to discuss our requests or any issues raised in this letter, please feel free to contact me at (212) 532-1091 during normal business hours. Thank you for your time and attention to this matter.

Very truly yours,
