Re: *Vaccinated vs. unvaccinated health outcomes in Ulster children*

Dear Acting Commissioner Bassett:

We write on behalf of a group we represent, comprising all of the families of unvaccinated children in the four contiguous school districts of Kingston City, New Paltz, Rondout Valley, and Wallkill, and we welcome to your recent appointment as Acting Director of the New York State Department of Health.

Attached is correspondence with the former Commissioner, Dr. Zucker, spanning a six-month time period earlier this year. We share this exchange with you with the hope that you will provide a more substantial response to the important issues and concerns raised forthwith, prior to our legal filing.

Best regards,

Aaron Siri, Esq.  
Elizabeth A. Brehm, Esq.
