Needs from HQ
(b)(5)
Completed Tasks
<ul style="list-style-type: none">• Met with pediatrician from the Monsey community, he is on board to provide vaccinations to children, sharing that hesitancy is increasing among parents, the key is flexibility and providing single antigen vaccines when asked for, more of the issue in this community is delay rather than complete non-vaccination• Met with representatives from Good Samaritan Hospital – where all the women in the Rockland/Orange County Hasidic communities give birth<ul style="list-style-type: none">○ Discussed IPC & vaccination protocols; they asked about vaccination of their providers re: adult IPV dose (might create demand for IPV in this community)○ Offer a Q&A with CDC for healthcare providers on their risk• Met with Shoshana Bernstein & Mona Montal, community leaders: they are developing a proposal to submit to NM & GP regarding actions they want CDC Foundation funding on (will split tasks b/t NYS & CDC)• Set up an introduction to JOWMA in Brooklyn to discuss engaging community story, meeting on Monday next week• Met with EMS, briefed on polio and IPC, updated vaccine recommendation, working to alert the community & the health department if suspect flaccid paralysis or are delivering wheelchairs/crutches to the home<ul style="list-style-type: none">○ <div style="background-color: #800000; color: red; text-align: center; padding: 2px;">(b)(5)</div>○ • IIS access for Nina & Haillie through Rockland County IIS (full NYS access pending)
Ongoing Projects/Tasks
<ul style="list-style-type: none">• Dirty Diaper Protocol (Neida to start this weekend)• Identifying pockets of under-vaccination using NYSIIS• Identifying communities at highest risk based on zero dose vaccination coverage, population density, age structure• Continuing to engage with community leaders to understand best ways to message & reach this population
Anticipated Challenges
