3.2.R Guidelines for Business Travel from a Red Zone to Belgium

Certificate exempting critical functions from the quarantine rules		x	No	Yes, already covered ⁵	No	Yes, already covered ⁵	No	Yes ⁶	Yes ⁶	No	Yes ⁶	Yes ⁶
Fill out screening document for visitors and contractors (Onyxone) ⁷	x	x	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
Register contractors ⁸		x	No	No	No	No	No	Yes	Yes	No	Yes	Yes

These provisions **do not apply to cross-border workers**. They must carry a sworn statement with them at all times (to be filled out once-only).

Cross-border worker: a person who is employed in one Member State but lives in another Member State to which this person returns daily or at least once a week.

¹ Not applicable, ATTENTION: reply “professional reasons without BTA” on the PLF

² Not required for Pfizer, but possibly for the transport company (check transport contract)

³ 10-day quarantine (United Kingdom, South Africa and South-America)

⁴ Exemption from quarantine rules for critical functions in key industries; only applies to on-site activities – the employer must observe a 7-day quarantine period at home or at a temporary address

⁵ COVID-19 employment certificate: necessary presence and commute to work (b) (6) Communications has e-mailed this certificate to everyone personally)

⁶ Certificate to be drawn up by the contractor/employer based on the memo ‘certificate for exemption from quarantine for critical functions’ + travel document Pfizer

⁷ Screening document does not apply to Pfizer employees and third parties

⁸ memo register for contractors
