Dear Mr. Siri:

This letter is in response to your Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) Freedom of Information Act (FOIA) request of August 8, 2024, for

[IR#1150L] All documents (including but not limited to studies, journal articles, manufacturer data, etc.) sufficient to show the foods that contain the same ingredients as those found in the COVID-19 vaccines.

Information helpful to fulfilling the request: On its website, CDC states, "FACT: Nearly all the ingredients in COVID-19 vaccines are also ingredients in many foods – fats, sugars, and salts."

A search of our records within the National Center for Immunization and Respiratory Diseases (NCIRD) failed to reveal any documents pertaining to your request. The subject matter expert notes that ingredients in specific vaccines fall under the responsibility of the FDA, and recommends that you contact the FDA for this inquiry.

You may contact our FOIA Public Liaison at 770-488-6246 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with the response to this request, you may administratively appeal to the Deputy Agency Chief FOIA Officer, Office of the Assistant Secretary for Public Affairs, U.S. Department of Health and Human Services, via the online portal at <https://requests.publiclink.hhs.gov/App/Index.aspx>. Please mark both your appeal letter and envelope "FOIA Appeal." Your appeal must be electronically transmitted by December 13, 2024.

Sincerely,

Roger Andoh
