

UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION

**PUBLIC HEALTH AND MEDICAL
PROFESSIONALS FOR TRANSPARENCY, ET
AL.,**

Plaintiffs,

v.

No. 4:22-cv-0915-P

FOOD AND DRUG ADMINISTRATION,

Defendant.

AMENDED ORDER

Before the Court is the Parties' Joint Status Report. ECF No. 49. In the report, the Parties request that the Court modify the production order in both this case and the sister case. *Id.* In order to ensure that Plaintiffs receive all responsive documents, and based upon the Parties' agreement, the Court finds it appropriate to modify the production schedule in this case. Therefore it is **ORDERED** regarding the Pfizer sEUA file that the: (1) FDA shall produce at least 180,000 pages per month, with its first production occurring on or before August 1, 2025 and continuing on the first business day of each month; and (2) FDA shall complete production of this file on or before September 2, 2025. It is further **ORDERED** regarding the Moderna EUA file that: (1) the FDA shall produce at least 180,000 pages per month, with its first production occurring on or before October 1, 2025 and continuing on the first business day of each month; (2) the FDA will complete production of this file no later than October 1, 2026; (3) the FDA may "bank" any pages produced in excess of its monthly quotas. If FDA is unable to produce the full amount of pages required in a subsequent month, it can apply the banked pages toward its quota for that month; and (4) the FDA will exclude scientific publications from production.

SO ORDERED on this **9th day of June 2025.**
